ODs preparing talking points on subjects you referenced. Sean has the lead for putting them together. Also I asked Karen to assess whether to add Centredale mediation.

As mentioned, the Administrator is setting up half hour calls with each RA periodically. Mine just got scheduled for this Friday.

We are asked to bring up topics with him that are cutting-edge and challenging and where his direction can help us make progress.

Deliberative Process / Ex. 5

Other ideas please let me know - and some talking points would be very very welcome. I will be back tomorrow and we can discuss.
